

Product Name :
Automatic Coding Machine

Product Code :
EQUP-MC20087-0046

Description :

Automatic Coding Machine

Technical Specification :

Power 230 Vac
Weight 8 kg
Printing Speed 90 per minute
Voltage 230 Vac
Automation Grade Automatic
Display Type None
Speed 90 per minute
Printing Type Ribbon
Driven Type Motor

The Automatic Coding Machines is a high speed printer also known as Batch Coding Machine designed to give clear legible codes
