

Product Name :
Stored Pressure Mechanical Foam Type Fire Extinguisher

Product Code :
EQUP-MC20056-0015

Description :

Stored Pressure Mechanical Foam Type Fire Extinguisher

Technical Specification :

- Use upright
- Pull out safety pin
- Free hose
- Aim nozzle at base of fire
- Squeeze handles

Fire Extinguisher Type	Mechanical Foam (Afff) Based
Capacity	6L
Material	Carbon Steel
Discharge Time	20-180 sec.
Dischager	95%
