

Product Name :
1585mm Chain Pipe Wrench

Product Code :
EQUP-MC20030-0008

Description :

1585mm Chain Pipe Wrench

Technical Specification :

Drop forged jaws with high grade steel. An accurately machined jaw teeth on both sides of the jaw provides from gripping and are easy for reverse operation. Scientifically heat treated to give maximum strength and wear resistance.

Length 1585 mm
Material High Grade Steel
Type of Product Chain Pipe Wrench
Dia. of Pipe 324 mm
thickness 15 mm
Weight (g) 16500 g
Jaw size 215 mm
Jaw width 95 mm
