

Product Name :

Army Military ABS And PC Plastic Anti Riot Armour Hard
Shell With Foam Inner Padding

Product Code :

EQUP-MC20006-0008

Description :

Army Military ABS And PC Plastic Anti Riot Armour Hard Shell With Foam Inner Padding

Technical Specification :

The Police Riot Suit provides substantial protection from blunt force trauma and melee attack. The contour molded outer shell features impact ridges that disperse the brunt of the blows, while foam inner padding cushions the body. Soft brush and mesh line the inside to reduce abrasion and provide long-term comfort.

The hard shell protectors are used for covering and protecting most of the body. They are designed to withstand hard blow, and prevent penetration or stabbing by sharp tools, anti-fire and anti-acidity. The Riot Suit is currently deployed and passes the rigorous standards of our most elite law enforcement agencies, for quality, operational flexibility, protection area, energy absorbency, and flame resistance performance.

Anti riot Suit Test Features

Protect Area: 1.08m²

Chest, Abdomen and Groin: ?0.1

back: ?0.1

Arms :?0.18

Legs :?0.30

Temperature Testing

Performance would not be effected in circumstances of under-20° C--+55° C
