

Product Name :
Food Tie Machine

Product Code :
EQUP-MC20019-0022

Description :

Food Tie Machine

Technical Specification :

Power supply: AC220V, 50/60Hz, 0.25kW

Binding speed: 26 channels/minute

Tightening force: 25kg (adjustable)

Binding strap specifications: Paper/OPP film tape, width 12mm

Reel specifications: The inner diameter of the roll paper core is 40 mm, the outer diameter is 160 mm, and the width is 12 mm. The OPP film tape inner diameter is 42 mm, the outer diameter is 160 mm, and the width is 20/30 mm.

Overall size: L380*W280*H415mm, 18Kg L520*W280*H505mm, 22Kg
