

Product Name :
Automatic Frozen Meat Grinder and Block Flaker

Product Code :
EQUP-MC20198-0001

Description :

Automatic Frozen Meat Grinder and Block Flaker

Technical Specification :

Cutting edge thickness – 40 mm

Cutting force – 1500 kg

Installing power – 7,5 kW

Cutting block drive – hydraulic

Rated voltage – 380 V

Dimensions:

length – 2480 mm

width – 1015 mm
