

Product Name :
Shrink packaging systems

Product Code :
EQUP-MC20200-0001

Description :

Shrink packaging systems

Technical Specification :

Duration of the cycle (processing) from 2 seconds.

Temperature control range up to +92 °?

Working volume of the bath:

Length, mm 400

Width, mm 600

Depth, mm 300 Overall dimensions of the installation (along the front):

Length, mm 600

Width, mm 740

Height, mm 1390 with an umbrella / 1160 without an umbrella Working temperature of water from +70 °? to +92 °?
