

Product Name :
Household Meat Grinder

Product Code :
MM-CHINA11002-0015

Description :

Household Meat Grinder

Technical Specification :

Compact Design: The mini size allows for easy storage and fits comfortably on any kitchen counter without taking up too much space.

High-Quality Blades: Equipped with sharp, stainless steel blades that efficiently grind meat, ensuring a fine and consistent texture.

Powerful Motor: Despite its compact size, the machine is powered by a robust motor that can handle various types of meat, including beef, pork, and chicken.

Easy Assembly and Cleaning: The grinder is designed for easy assembly and disassembly, making it simple to clean after use. Most parts are dishwasher safe.

Safety Features: Includes safety guards and a non-slip base to prevent accidents during operation.

Versatility: Comes with multiple attachments for grinding, mincing, and even sausage stuffing, making it a multifunctional tool in the kitchen.
