

Product Name :
Automatic Toast Ultrasonic Cutting Machine

Product Code :
MM-CHINA11003-006

Description :

Automatic Toast Ultrasonic Cutting Machine

Technical Specification :

The 24/7 industrial environments requiring rigorous volumetric consistency and minimal maintenance downtime.
Processing Capacity: 120 - 180 slices/min (Depends on slice thickness)
Ultrasonic Frequency: 20kHz (Digital auto-tracking generator)
Blade Material: Medical-Grade Titanium Alloy (Non-stick)
Maximum Cutting Width: 600 mm (Accommodates multiple loaves side-by-side)
Power Supply: 3.5kW / 380V / 3Ph (50-60Hz)
