

Product Name :
Canned Meat Production Line

Product Code :
MM-CHINA11005-0018

Description :

Canned Meat Production Line

Technical Specification :

Capacity: 500-5000 cans/hour, customizable based on your needs.

Automation Level: PLC control with HMI interface for easy operation.

Energy Efficiency: Reduces power consumption by 25% compared to traditional lines.

Material: Food-grade SUS304/316

Control System: Siemens PLC + Touchscreen HMI

Power Supply: 380V/50Hz, customizable

MachinesManufacturer China
