

**Product Name :**  
Aseptic High Speed Straw Applicator

**Product Code :**  
EQUP-MC20074-0007

**Description :**

Aseptic High Speed Straw Applicator

**Technical Specification :**

overall dimension: 3500x860x1500  
Machine weight: 300kg  
Horse power: 4.5KW max.  
Application capacity: 12000 - 16000packs/h  
Feed pattern: single file  
Width of carrying belt: B55  
Application air pressure: 0.4-0.6Mpa  
Working pressure of the hot melt adhesive pump: 0.28Mpa  
Max. air consumption: 100L/min
