

**Product Name :**  
Packing Semi Automatic Screw Capping Machine

**Product Code :**  
EQUP-MC20085-0031

**Description :**

Packing Semi Automatic Screw Capping Machine

**Technical Specification :**

Capacity 40 to 60 per minute  
Voltage (V) 415  
Conveyor Height (Millimetre) 860 mm to 910 mm  
Frequency (Hz) 50  
Voltage (Volt) 220  
Automatic Grade Semi Automatic  
No Of Head 1

Recognition is the key in making a name that matches what the item looks to fulfill. Second, the name machines like they utilize have the ability to print splendid outlines. Getting the best hardware cash can purchase is a standout amongst the most vital speculations a specialist like you will ever do.
